PORTS

Fort-de-France is the capital of Martinique, a curious mixture of European and Caribbean temperament and has a wonderful climate. It is one of the largest cities in the Caribbean, so you'll find plenty to see and do as you explore the streets. But don't limit yourself to the city – Martinique is stunning in its beauty, with rainforests, dormant volcanoes, and beaches in all sizes. Wearing a Panama hat is allowed, and don't forget to sample the local cuisine... it's like 'ouh-la-la', but with rum!

TAN (17) TURKEY

"IF YOU BELIEVE AND PUSH YOURSELF THERE IS NOTHING YOU CAN'T DO."

Marigot is the main city of the French part of Saint Martin island in the Caribbean. Climb up to Fort Louis if you like history or hike the Paradise Peak if you're more of a nature lover. For a little taste of local culture visit the Museum of Saint Martin and Roland Richardson Art Gallery. Spend a relaxing afternoon on one of the beautiful beaches and enjoy all kinds of watersports.

LIFE ON BOARD

Life on Board of Tall Ships is really nothing comparable to your daily routine.

Wake up, and smell the coffee! A day in the life of a Windseeker starts with a hearty breakfast. With the Tall Ship as your home, you'll need those calories!

No day will be the same. From lazy sunny afternoons with Bob Marley swaying on deck, to wind-filled rainy nights with one eye on the ship's radar and the other checking the jib.

This is life to the max. Life brought down to its essence. Wood, steel, lines, wind, waves... One watch checks the oil in the engine room, the other takes a well-deserved hot shower after that chilly morning sunrise at sea.

There's laughter in the galley. Someone cracked a dirty joke. Serene silence on the aft deck. A group of young Windseekers soaking up the moments.

Wind seems to be shifting. Time to trim the sails. Together, as a team. Apple in mouth, zipping up your jacket you move forward. Pull the sheet just a bit tighter, or keep it loose for a while longer and see what she does? Only six miles to port. What do you think?

Then, everything moves. The deck is buzzing. Lines lying around, sails flapping as your fellow Windseekers turn the bow into the wind. It'll be easier for you and your team to take them down this way. Fenders out!

The engine roars. Forward, back, forward, maneuvering alongside the quay. The lights of the harbor inn glisten invitingly over the water. A line is thrown to the old fisherman standing ashore. And another. Until a clenched fist is raised to the wheelhouse and the roaring stops. Fast!

Time to get the Tall Ship organized again, before a well deserved meal together. A meal prepared by those girls who said they couldn't cook. It tastes great.

Playing cards come out. Impressions are shared. The guys from the other cabin do a quick batch of laundry. Someone yawns, more follow. It's the cue to hit the bunk for a good night's sleep.

Because tomorrow will be a completely new day. A new day, with new horizons. Jump on one of our Tall Ships for a unique sailing adventure!
