### MYRIAM (20) BELGIUM

"TAKE CHANCES. IF YOU DON'T TRY, YOU'LL NEVER KNOW."

These unique sailing journeys are a perfect mix of Sail Training and cultural programs. You will sail the Ship with other participants of similar age from several different countries. While the captain and his crew will teach you how to sail a Tall Ship, the mentors will make sure that everyone feels good on board and has fun participating in various activities, which will be focused around our theme of sustainability and plastic-pollution.

The cultural and educational program has been prepared with great care by experienced people. You will join your peers in games and challenges; talk about your own country and discuss important issues. You will also discover 3 wonderful cities: The Hague, London and Amsterdam, from a completely new perspective! Here we will put our theme into action and organize a beach clean-up together with a local organization, visit a start-up with exciting ideas and fish for plastic in the beautiful canals!

The Ship doesn't stop when the night comes so you will be working day and night to reach your destination! You will be divided into watches and work in shifts of 4 hours on, 8 hours off. That means two watches per day: one in daytime and one in the night. Don't worry, your sleep pattern will soon adjust. You will stand lookout, navigate, man the helm, cook and clean – and you do it all as a team. By the time you reach the destination port you will be like a family.

## PORTS

The Hague is the seat of government in the Netherlands and the third-largest city of the Netherlands, after Amsterdam and Rotterdam. King Willem-Alexander of the Netherlands plans to live at Huis ten Bosch and works at Noordeinde Palace in The Hague, together with Queen Máxima. Most foreign embassies in the Netherlands and 150 international organisations are located in the city. This is one of the major cities hosting the United Nations, along with New York, Geneva, Vienna and Addis Ababa.

### AXEL (23) FRANCE

"IT IS AN ADVENTURE YOU DON'T WANT TO MISS! BEING A SAILOR ONLY TAKES PASSION AND MOTIVATION."

With more bicycles than people, cycling is an integral part of Amsterdam's DNA. Hop on and see the city like the locals do! Winding waterways, idyllic bridges and historic buildings – one of the most memorable ways to truly see Amsterdam is from the canals. Amsterdam has a full cultural agenda showcasing the very best festivals, nightlife, exhibitions & events, plus there is enough practical tourist info, hotel, museum, excursion & attraction listings, you won't miss a thing!

### SPONSORSHIP AND COSTS

Potential reimbursement of your travel cost to- and from the ship might be possible, depending on the additional funding from Erasmus+ Program. This will be determined in January/February 2019. Maximum transfer costs will be between 180 EUR-275 EUR (depending on the country of origin and travel distance). Note: any compensation will occur after your trip and can take a substantial amount of time due to administrative processes.

## LIFE ON BOARD

Life on Board of Tall Ships is really nothing comparable to your daily routine.

Wake up, and smell the coffee! A day in the life of a Windseeker starts with a hearty breakfast. With the Tall Ship as your home, you'll need those calories!

No day will be the same. From lazy sunny afternoons with Bob Marley swaying on deck, to wind-filled rainy nights with one eye on the ship's radar and the other checking the jib.

This is life to the max. Life brought down to its essence. Wood, steel, lines, wind, waves... One watch checks the oil in the engine room, the other takes a well-deserved hot shower after that chilly morning sunrise at sea.

There's laughter in the galley. Someone cracked a dirty joke. Serene silence on the aft deck. A group of young Windseekers soaking up the moments.

Wind seems to be shifting. Time to trim the sails. Together, as a team. Apple in mouth, zipping up your jacket you move forward. Pull the sheet just a bit tighter, or keep it loose for a while longer and see what she does? Only six miles to port. What do you think?

Then, everything moves. The deck is buzzing. Lines lying around, sails flapping as your fellow Windseekers turn the bow into the wind. It'll be easier for you and your team to take them down this way. Fenders out!

The engine roars. Forward, back, forward, maneuvering alongside the quay. The lights of the harbor inn glisten invitingly over the water. A line is thrown to the old fisherman standing ashore. And another. Until a clenched fist is raised to the wheelhouse and the roaring stops. Fast!

Time to get the Tall Ship organized again, before a well deserved meal together. A meal prepared by those girls who said they couldn't cook. It tastes great.

Playing cards come out. Impressions are shared. The guys from the other cabin do a quick batch of laundry. Someone yawns, more follow. It's the cue to hit the bunk for a good night's sleep.

Because tomorrow will be a completely new day. A new day, with new horizons. Jump on one of our Tall Ships for a unique sailing adventure!
