Explore the beautiful islands before making your way to Tobago, from where you will catch your flight back to Europe. Spend a month on board and learn to sail a traditional vessel. Set the sails, steer, navigate; fish and cook; relax. Give yourself over to the adventure: only the departure and arrival dates are set, otherwise you will go where the wind takes you. Dare to get out of your comfort zone and leave the civilisation behind for several weeks. Enjoy the digital detox, out of mobile service for many days at a time. Become one with nature and find yourself again. Open to Windseekers aged 17-30.

PORTS

Tenerife is the largest of the Canary Islands, and a popular tourist destination. One of the largest Carnival festivals is hosted here, and for tourists there is a lot to see and do. But the island is large enough to escape mass tourism, so let its natural beauty seduce you to a hike or a drive around the island. You'll find mountains to climb, cliffs overlooking bays, and ravines. The 'Island of eternal spring' is just what you need if you arrive fresh from your Journey!

ROBIJN (17)

"WHEN ANCHORED AT SEA IN THE SUN, I HAD NOT A CARE IN THE WORLD "

Tobago is an island within the Republic of Trinidad and Tobago, an island state in the Caribbean. Much more relaxed than the bustling Trinidad, Tobago is a great place for nature-lovers and people who like to experience the slow local life. Visit Tobago Forest Reserve to take a trek through the rainforest, try water sports or simply relax on a sandy beach. You should also step into one of the many small restaurants and try the local specialties!

LIFE ON BOARD

Life on Board of Tall Ships is really nothing comparable to your daily routine.

Wake up, and smell the coffee! A day in the life of a Windseeker starts with a hearty breakfast. With the Tall Ship as your home, you'll need those calories!

No day will be the same. From lazy sunny afternoons with Bob Marley swaying on deck, to wind-filled rainy nights with one eye on the ship's radar and the other checking the jib.

This is life to the max. Life brought down to its essence. Wood, steel, lines, wind, waves... One watch checks the oil in the engine room, the other takes a well-deserved hot shower after that chilly morning sunrise at sea.

There's laughter in the galley. Someone cracked a dirty joke. Serene silence on the aft deck. A group of young Windseekers soaking up the moments.

Wind seems to be shifting. Time to trim the sails. Together, as a team. Apple in mouth, zipping up your jacket you move forward. Pull the sheet just a bit tighter, or keep it loose for a while longer and see what she does? Only six miles to port. What do you think?

Then, everything moves. The deck is buzzing. Lines lying around, sails flapping as your fellow Windseekers turn the bow into the wind. It'll be easier for you and your team to take them down this way. Fenders out!

The engine roars. Forward, back, forward, maneuvering alongside the quay. The lights of the harbor inn glisten invitingly over the water. A line is thrown to the old fisherman standing ashore. And another. Until a clenched fist is raised to the wheelhouse and the roaring stops. Fast!

Time to get the Tall Ship organized again, before a well deserved meal together. A meal prepared by those girls who said they couldn't cook. It tastes great.

Playing cards come out. Impressions are shared. The guys from the other cabin do a quick batch of laundry. Someone yawns, more follow. It's the cue to hit the bunk for a good night's sleep.

Because tomorrow will be a completely new day. A new day, with new horizons. Jump on one of our Tall Ships for a unique sailing adventure!
