## ON BOARD: TWISTER

### ABOUT THE SHIP

The Twister was built in 1902 and renovated in 2012 in order to provide all the new safety features and modern comfort. These days she is a very fast and reliable sailing vessel. The modern rigging system and gracefully designed lines enable the her to perform excellently both on the IJsselmeer, Baltic Sea and out on the ocean. She usually sails around the Baltic Sea area, cruising along the German coast to Denmark, Sweden or further away.

Come on board for an exciting sailing trip aboard the seagoing two-masted schooner. You will surely enjoy yourself, whether at the helm, on deck or in the cozy wheelhouse. The Twister's accommodation plan makes her a perfect Ship for families.

Become a trainee on the Twister and enjoy sailing together with professional captain and other passionate sailors.

### HISTORY

This traditional fishing ship was built completely from wood in 1902. In 1957 the wooden hull was replaced by a steel one. The ship continued to operate as a modern fishing cutter until 1981 and brought the catching of other ships to the fish handling very fast home. In 1998 the two-mast- schooner Twister was completely converted into a luxury sailing ship with the feel of a yacht.
