ON BOARD: J. R. TOLKIEN

ABOUT THE SHIP

J.R. Tolkien is the faster of the two sailing sisters (the second one being Loth Lorien). Apart from the charter cruises in the Baltic Sea, she takes part in impressive yacht parades as well as in one or two regattas. And she is well suited for the longer, even more adventurous, voyages.

HISTORY

J. R. Tolkien was built in 1964 in Magdeburg as a tow boat. After years of good service, she was bought by her current owners and refitted as a beautiful Sail Training Ship with traditional rigging but all the modern comforts.
