

ON BOARD: ANNE-MARGARETHA

ABOUT THE SHIP

The dream of Heinz Wutschke and Greet Dekker to sail the oceans with their own ship became true when they built the Anne-Margaretha. Far away from everyday commotion you experience the special peace and quiet of sailing the ocean. Dolphins skimming along the bow are no exception! Beautiful sunsets, tropical destinations; you can have it all with the Anne-Margaretha.

HISTORY

The Anne-Margaretha, a sturdy two-mast steel yacht, was launched in 2000. She was built to sail all seas and oceans. She has been on worldtour (including Antarctica, Patagonia, Galapagos Isles, Panama, Cuba, etc.) four times (in 2007-2008, 2009-2010, 2014-2015 and 2017-2018). In 2011 she has started to explore the far North: Spitsbergen, and the South: Antarctica.
