ON BOARD: VALBORG

ABOUT THE SHIP

Nowadays Valborg serves as a Sail Training vessel, participating in events like the Tall Ships Races and offering charter trips to companies and private groups to finance the Races. During winter Valborg stays in water (and ice), and serves as an event venue with sauna.

HISTORY

Valborg was built 1948 in Porvoo, Southern Finland, to serve as a cargo vessel and carried mostly sand and timber between Finnish ports. After she retired in the early 70s Valborg was fully renovated and became a sail training ship for scouts. Today the ship is owned by Valborg LTD.
